

Brushhollow Entertainment Center

Construction & Specifications · Ready-to-paint built-in entertainment center

Sold on RTPCabinets.com only. Delivered to every state. Lead time: see website for current lead times.
Listed widths are face-frame widths.

CABINET BOX

Box	3/4" Baltic birch plywood
Back	1/4" birch plywood, set in dados
Shelves	3/4" Baltic birch plywood, edge-banded, set back 1"; all shelves adjustable on shelf pins
Interior	factory sanded. We recommend a clear coat or paint on interiors.
Cord grommet	one 2-1/2" cord hole in the back of each base

FACE FRAME

Solid poplar, 1-1/2" stiles
Mounted flush with the inside cabinet wall, with a 25/32" overhang on the outside

DOORS

Flat Panel Shaker only, about 3/4" thick, 1/2" overlay, 1/8" gap between doors	
Hinges	screw-on, 3-way adjustable

FINISH

Delivered unfinished (ready to paint), sanded to 120 grit

BASES (SIT ON THE FLOOR; 1-1/2" TOP NOT INCLUDED)

Widths	18", 24" (one door); 30", 36", 48" (two doors)
Height	28-1/2" box; 30" with a 1-1/2" top
Depth	18" to the face of the frame
No toe kick	a flat 3-1/2" trim runs to the floor across the front
One adjustable shelf	
Door opening	listed width minus 3" wide x 22-1/2" tall

TOWERS (STAND ON THE BASE TOP, 12" DEEP)

Widths	18", 24", 30", 36", 48" (48" has a center divider)
Heights	63" (8' ceilings) and 75" (9' ceilings)
Depth	12" to the face of the frame
Open shelving or doors	

BRIDGES (SPAN BETWEEN TOWERS OVER THE TV, 12" DEEP)

Widths	60", 72", 84", 96" (three equal bays; the 96" ships as three modules)
8' ceiling set	24" tall with doors, or 12" tall open
9' ceiling set	24" tall or 18" tall, with doors
Bridge top lines up with the tower tops	

TV CLEAR OPENING (COUNTERTOP TO BOTTOM OF BRIDGE)

Set	Bridge	Clear height
8'	24"	39"
8'	12"	51"
9'	24"	51"
9'	18"	57"

Clear width = bridge width.

Measure your TV. We can't guarantee any TV will fit; check your TV's actual dimensions. Allow at least 2" on each side. On a stand, allow at least 2" above the TV. Wall-mounted, allow at least 4" of total extra height (2" above, 2" or more below).

NOT INCLUDED

LED strip and LED channel
Bridge door pulls (buyer supplies)
Countertop/top for the bases
